

The UK and our local area

Year 4

Weekly Home Learning

Please complete your 'proof-reading and correcting' task, record your **daily reading** in the diary, practise your **spellings** and RockStars **timetables**. You can also complete one of the optional activities below:

English We will be learning to:

- Write a diary recount
- Write a newspaper report
- Write a piece of narrative based on our book 'Windows'
- Develop our handwriting, spelling, punctuation, grammar and reading skills

Read a newspaper/magazine article and summarise in no more than 40 words what it was about

Create a fact file about a living thing that lives in your house or garden

Maths We will be learning to:

- Calculate quantities and fractions of a quantity
- Describe movement and a position on a grid
- Convert analogue to digital

Research a British river and present your findings in a creative way

Think of a local landscape that you like and draw it!

Science We will be learning to:

- Explore and create classification keys
- Observe and record physical characteristics
- Explain how changes in the environment can pose dangers to living things

Please continue to practise spelling common exception words.

Geography We will be learning to:

- Locate counties on a map of the UK
- Recall the names and locations of British cities
- Compare characteristics of British rivers
- Investigate how the use of land around Standlake has changed over time

The year 4 multiplication check will be done during the third week of this term, meaning this can be priority homework. Please ensure you know your TT Rockstars username and password so you can access it at home. If you are unsure, please ask and I will retrieve that information for you. Be as creative as you like when it comes to practicing/revising your times tables! '#6666200

RE We will be learning to:

- Research the River Ganges
- Explore reasons for different people to visit the River Ganges
- Understand why Hindus make pilgrimages

PLEASE HAND IN HOME LEARNING BOOKS EVERY MONDAY
