We are seeking to appoint a dynamic and approachable person who is flexible to work across a number of schools, all with different visions and church traditions.

The role will be to provide pastoral and spiritual support for our church schools in and around the Eynsham area, within a growing Multi-Academy Trust.

We expect this person to lead the growth of fellowship, connectivity, spiritual development and the partnerships between our schools, churches and the communities they serve. The successful candidate will also widen connections to other church and community schools and groups.

As part of this role, the Chaplaincy Lead will develop a team of likeminded people to support their work and will be a pioneer in church school collaboration.

We are looking for someone with previous experience of working in schools or with children or young people in a church/community-based setting.

Please refer to the Job Description and the Person Specification on the EPA website. For further information and an informal conversation about the role and appointment process please contact Charlie Kerr (charlie.kerr@oxford.anglican.org).

The Trust is committed to safeguarding and promoting the welfare of children and young people/vulnerable adults and expects all staff and volunteers to share this commitment.
